

## Shop at Blind Bay Village Grocers & Help Our Association

*Blind Bay Village Grocers and Cedar Heights are **partnering together** to bring you a unique fundraising opportunity.* When you do your regular shopping at the store and pay using the gift cards you purchased from us, you earn money for our Association.

We support our local grocery store and they help CHCA by giving us an opportunity to purchase the gift cards at a discounted rate. This fundraiser is not limited to just our members, so invite your neighbors and friends to participate as well. There is no limit to the number of cards we sell, or the dollar value loaded on the cards. **The more we sell the more we benefit.**

### How to Participate

You order a grocery card from us, to be preloaded with an amount of your choosing. This card would then be used to pay for your purchases at the Village Grocers. **The cards can be used at the store for everything they sell - groceries, liquor, or gas.** Gas purchases, however, would require you to go into the store first. Canada Postal services would be excluded.

### How to Pay

- Preferred payment for the grocery card is by E-Transfer to [chcapay@gmail.com](mailto:chcapay@gmail.com). It is essential that you enter "**GROCERY CARDS**" in the **MESSAGE FIELD** so the information can be correctly processed.
- If you wish to purchase by cash or cheque, we will take your order in person at the hall during our regular office hours between **1:00 PM to 3:00 PM on Tuesdays and Thursdays.**
- **Please note credit cards will not be accepted for this fundraiser.**

### E-Transfer Information

When you set up Cedar Heights Community Association as an E-Transfer recipient, your bank will ask you to create a security question. The question itself can be anything you want, as long as the answer is "**cedarheights**" - all small letters, no capital. On our end, we have set up e-transfers to be automatically deposited. You will see a notice of this when you prepare the actual transfer of funds - please cheque the box that you agree to an auto-deposit.

### Deadline for Orders

Pre-orders for cards are being taken now, and up to **December 8th**. Cards will be available for pick up on December 10th.

We anticipate this fundraiser to be an ongoing event and for as long as we have interest. If you have any questions, please contact at [vicki00@telus.net](mailto:vicki00@telus.net) or at **250 675-2141**.
